• INFORMATION

- 28.10–01.11 a student exchange project in grades 7–9 between MHG and Variku School.
- MHG is one of the largest teacher training partner schools of the University of Tartu. There have been teacher trainees present since October doing their observation practice. In November and December we will welcome teacher trainees for the main practice where they also give some lessons.
- It is now possible to order all school clothes through the Norrison e-shop throughout the year. NB! Some items with the old school logos are also still available so please be careful when you order. The website for the s-shop: <https://norrison.ee/et/144-tartu-miina-harma-gumnaasium>

MHG has joined the project "Green School". The project's objective is to raise awareness about the environmental issues also in the educational institutions. For this project we are creating an in-school environmental team. Registration to join the team is open for students in grades 7–12 in Stuudium. The project leader at MHG is Reio Praats.

We congratulate

BIRTHDAYS OF SCHOOL STAFF

Merike Tammi – 28.10

Maarja Puniste – 02.11

We would like to thank

the people of our support staff, **Regita Saksing**, **Eleriin Käo** and **Maili Tirel**, for helping with organizing the workshops on the topic of mental health in MHG during the Educational Festival of Tartu.

Agnes Tuule Nöps and **Niks Kazenko** from IIDP for introducing Tartu to the participants of the DigiYouth project.

Hanna Stiina Kangur, the graduate of MHG, who performed the Hamlet's soliloquy to the students on MHG 113th birthday.

We are proud of

Liisa Oks from grade 10a and the whole **team of Tabula Rasa** for publishing this year's first issue of our school newspaper.

our English teacher **Erika Puusemp** for organizing the The Estonian Association of Teachers of English' annual fall conference "English Matters" at MHG.

the following students for performing well in the national contest of solving chemistry problems: **Liis Siigur** from 10c (2nd place), **Kristjan-Erik Kahu** from 9b (3rd place), **Mikk Rooden** from 10a (8th place), **Peter Kipp** from 10c (11th place) and **Uku Andreas Reigo** from 10c (12th-13th place). There were altogether over 80 students in the younger age group (up to 10th grade). The students were supervised by **Helle Sorge** and **Jörgen Metsik**.
