NR.29
SCHOOL YEAR 2022/2023

WEEKLY HIGHLIGHTS

- On April 14, we gathered in our lovely hall to ring the last school bell for the 12th-grade students who had finished school lessons and are about to start their exams. According to a beloved tradition, the 1st graders brought the seniors to the ceremony of the last school bell. The event was followed by a photo shoot of the classes at the monument of Peeter Pöld. Good luck with your exams, graduates of year 111!

WEEKLY HIGHLIGHTS

- **Serena Sarapuu** (11c, teacher Reet Volmer) won 2nd place in the final round of the Finnish Language Olympiad.
- In the final round of the Linguistics Olympiad, **Karolin Ruumet** (10a) shared the 10th-11th. place, **Tõnu Uustare** (11DP) got 15th place, **Triin Punab** (11DP) 16th place and **Maribel Klais** (11a) 23rd place. Supervised by Riina Murulaid.
- At the Spelling Olympiad of Tartu, our best were: 1st place **Heleli Niine** (4b, teacher Teeli Roht), 3rd place **Mirtel Suumann** (4a, teacher Kristel Anier); **Grete Audova** (5a, teacher Mari Maimre) 2nd place in the 5th-grade category; 1st place **Silvia Kronberg** (6a, teacher Sirle Lorvi), 5th place **Mikk Mihkel Ruus** (6b, teacher Reet Volmer); 4th place in the 7th grades, **Ats Joosep Laineste** (7b, teacher Auli Auvärt); **Saara Lei Konksi** (8b, teacher Auli Auvärt) placed 6th in the 8th-grade category; 8th place in the 9th-grade category **Katrina Laur** (9a, teacher Jana Kübar).
- On April 14, a speech competition was held in Torma, dedicated to Carl Robert Jakobson, a famous national movement figure and orator who lived in Torma in his youth. **Mart Väljamäe** (9b) took 3rd place in the speech competition and received the Carl Robert Jakobson Farm Museum's special award for the most Jakobson-like speech. His final thought about today's youth was: "I see young people who make the world better. Indeed, some of them are currently sleeping in the back seat, but remember - if you take good care of it, even the smallest acorn can grow into a mighty oak."
- This time, 21 students from eight schools participated in the German recitation competition. In the first round, students read a prepared text, and in the second round, an unfamiliar text. The foreign text was an excerpt from Paul Maar's book "Der tätowierte Hund. " Our 7th-grade student **Bente Marta Perm** took 3rd place in the competition. Supervised by teacher Maigi Varusk.
- On April 14, our Head of Studies Terje Hallik wrote in the newspaper Õpetajate left about the possibilities of how teachers can use the capabilities of the chat robot ChatGPT in their work. You can read the article in Estonian [HERE](#).

WEEKLY HIGHLIGHTS

- The guests of Roosa Radio's theme show are high school students **Lene Tiinas**, **Aade-Maria Kalson** and **Sander Metsis**. In the show, they talk about teachers, mistakes made in secondary school, absences and time management. The first part is in Estonian, and the second is in German. You can listen [HERE](#).

- On April 14, LõunaTERA held another 3rd-grade contest TEAN JA OSKAN. Our 3b team took 2nd place in the competition. The team included: Berit Prii, Britta Sokk, Anni Grünberg, Joanna Toomiste, Grete Metspalu, Eerik Aasa, Aleksis Kalmus, Hendrik Sebastian Asu Garcia, Aleksander Tammiste and Johannes Ustav. Supervised by teacher Kirke Lindlo-Bleahu. The organizers of the competition highlighted the good analytical skills of our students.

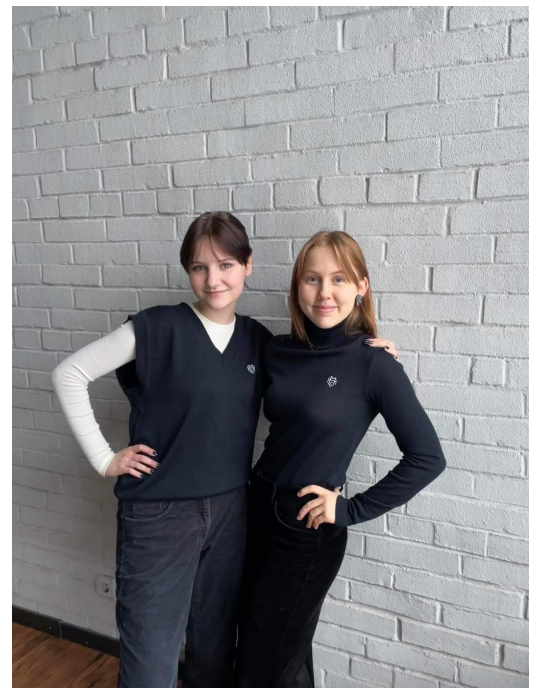

WEEKLY HIGHLIGHTS

- On April 13, the last summative meeting of the mental health project "Success and Happiness" was held at the Tartu Dance Academy. 8th-grade students from Tartu Tamme School, Tartu Kesklinna School and Miina Härma Gümnaasium listened to the lecture "What is happiness and how to be happy" by **Matilda Mägi**, a student of MHG 11DP class. At the meeting, the students recalled what they heard on different days of the project and made a performance out of it. The project was finished by eating kringle and cake together. The project was supported by the city of Tartu. The project was initiated and organized by **Regita Saksing, Maili Tirel, Eleriin Käo-Zirk, Gerli Puis** and **Liis Somelar**.

- The first period of pre-ordering school uniforms starts on May 1 and lasts until June 25. The ordered products will be sent to the selected parcel machine from August 20.
- The second pre-order period starts on September 1 and lasts until September 20, with collection from the parcel machine from November 10. Many products are not kept in stock, so it is important to order in time. Some new products have also been added – vest, pullover, backpack, and cap designed by our Student Council members (in the photo: **Laura Elsa Nacke** and **Katrina Laur**).

XIII NOORTE LAULU- JA TANTSUPIDU

PÜHA ON MAA
30.06 – 2.07.2023

Meisterdame lillekaste,
mis suurendavad elurikkust koolioel
ja linnaruumis.

Kastidega kaunistame kodukoha koolide hoovid ja
ümbruse.

Tallinna lillekastid kogutakse enne pidu kokku
ja paigutatakse Kultuurikolomeetrite Linnahalli
lähedusse ning tähistatakse kooli nimega, kes on
kasti valmistanud ja lilled ette kasvatanud.

Anna oma soovist osa leida lillekastide
valmistamises ja lilled ette kasvatamises teada
hiljemalt 6. märtsiks:

Tallinna Strateegiakeskus.

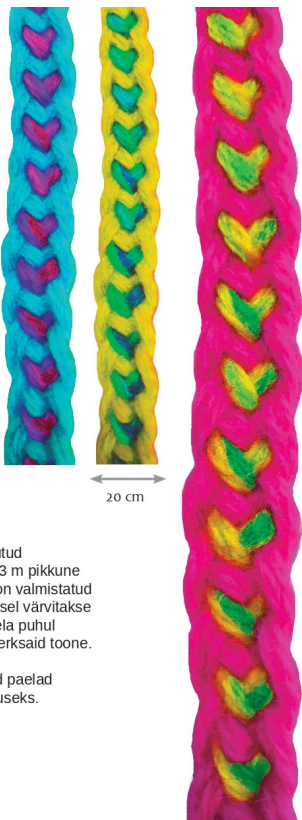

Lillekaste mullaga täita ja linnaruumi paigutada
aitavad Tallinna Strateegiakeskus ja Euroopa
roheline pealinn 2023.

Punume paelu,
millega ehime kodukohta ja muudame
põlispuud peo ajaks veelgi uhkemaks.

Punatud paeltega pärjatud puud on juskui
sillaks põlvkondade vahel. Rongkäigutee
äärsed ehitatud puud lisavad pidulikkust.
Paelad kinnitatakse ümber okste puid
kahjustamata.

Paelu punuvad noored käsitöömeistrid
käsitöötundides, ringides ja kodus.
Tallinna linnaruumi kaunistavad paelad peavad
valmis olema suve alguseks.

Paelte punumise töötodad toimuvad ka peo ajal
ERMI käsitöotelgis. Kõik saavad kaasa lüüa!

LILLEKASTID

Iga ruutmeeter loeb!

Lillekasti mõõdud on 1x1 m. Kastid
on valmistatud taaskasutuspuudist
(euroalused, uitpuit, tootmisjäägid).
Kinnitusvahenditest soovitatakse kasutada
naelu. Kast tuleb ehitada selliselt, et seda
saaks kahveltõstukiga tõsta, sest koos
mullaga kaalub see 250–300 kg.

Kastid peavad valmis olema hiljemalt aprilli
keskel, et seemnetest jõuaksid peo ajaks
taimed sirguda ja õitsele puhkeda.

EHITUD PUUD

Paeltega pärjatud puud

Puudeehitumise paelad on punatud
kangaribadest. Valmis pael on 3 m pikkune
ja vähemalt 20 cm lai. Paelad on valmistatud
taaskasutus kangastest, vajadusel värvitakse
neid tekstiilivärvidega. Ühe paela puhul
kasutada kogu ulatuses samu erksaid toone.

Tallinna linnaruumi kaunistavad paelad
peavad valmis olema juuni alguseks.
