NOTICED AT HÄR

- Last Friday, representatives of the **language learning app Lingvist** visited our school. One of the creators of Linguist is **MHG alumnus, physicist and entrepreneur Mait Müntel**. Mait and his colleagues filmed the 11DP class Spanish lesson and asked the students about their experience using Linguist and how it has changed their language learning. 11th-grade students **Liis-Marii Pakkanen, Okko Jalli, Uku Karl Kass, Otto Karl Kuuseok, Gregor Vassiljev** and **Mattias Oll** took part in the interviews.
- We can say a big thank you to all of them because, as a sign of gratitude, **every student of Miina Härma Gümnaasium can use the Lingvist application for free for the next 10 months**. It doesn't matter if you are learning English, French, Estonian, German, Spanish, Swedish, Italian or any other language, don't miss this opportunity!
- The Linguist was invited to the school by teacher Madis Kahro.

The image shows the Lingvist logo, which consists of a stylized white arrow pointing right, followed by the word "LINGVIST" in a bold, white, sans-serif font. The logo is centered on a dark blue background. To the right of the logo, there are three horizontal bars of different colors: a light blue bar at the top, a white bar in the middle, and a purple bar at the bottom. The bars are partially overlapping and have rounded ends.

Join us for an Enchanting Folk Chorale Concert at the UT Museum

On the last night of November, we welcome you to the White Hall of the UT Museum for an extraordinary musical experience. Come and listen as young, traditional musicians studying on the side of Toomemäe transport you to another world with their enchanting sounds.

The half-hour program features a selection of folk chorales from various corners of Estonia and further afield (from the Estonian-Swedish village of Gammalsvenskby in the territories of Ukraine). The program grew out of the practical work of **Emma Elisabeth Toots. Together** with the seven-member ensemble of young Eller students, we have been searching for a fresh yet traditional-sounding space for the selected folk chorales during these autumn months.

The entrance is free for everyone. Join us for a night of beautiful music and unforgettable memories.

Featuring the following talented musicians:

Liina-Mai Põldsepp – violin, Hiiu kannel and vocals

Jakob Ermann – violin and vocals

Mirtel Metsmaa – violin and vocals,

Mihkel Sildoja – flute and vocals

Randmar Tuulemäe – double bass and vocals

Riko Misnik – flute and vocals

Emma Elisabeth Toots on violin and vocals.
