## WE CELEBRATED EUROPE DAY

On Friday, 9 May, a big party in Estonian was held for international students. Eva Ingerpuu-Rümmel, the Estonian language teacher for international students, writes:

We got together in the common party hall for the third time. The event was called "Aeg aastas" and brought about fifty students to the stage. We performed plays and sang in Estonian. Some students also played instruments. We watched the oldest students' plays on video because they were having an exam period. We were able to show what we have learned during the year on Europe Day.
